

Celebrating 35 Years of the Employee Retirement Income Security Act

Helping Americans achieve the dream
of a healthy, financially secure retirement
by protecting pension, 401(k), health
and other job-based fringe benefits.

Our Employee Benefits Security Administration ensures
the integrity of the private employee benefit plan system,
educates participants & beneficiaries about their rights,
and assists them if they have been denied their earned
benefits. In FY 2008, monetary results of EBSA's
enforcement program was \$1.2 billion.
